

Miss HIN Guidelines

Below are the online submission form guidelines for the Miss Hot Import Nights Australia - Sydney 2018 contest:

1. The cut off date for all applications will be 1st of October 2018.
2. There is no application fee for entering the contest.
3. The contest is only open to contestants 18 years and above. Contestants below 18 years old will not be accepted.
4. Modelling experience is not required.
5. The online application profiling questions are designed for the HIN team to understand your interests & goals. Modelling is more than outward beauty. We consider your personality and character to be more important.
6. Honesty and integrity are also important when applicants are filling in the online application. Any false claims or information may affect the applicant negatively during the HIN management's decision process.
7. All applications must be filled in by the applicant. HIN management will not accept any applications filled out by a third party.
8. Forms filled out on behalf of contestants will not be accepted.
9. Photos submitted in the application do not need to be of professional quality. However, a close up of face and recent full length body shot is required.

All approved applicants will have opportunities to liaise with HIN management to minimise conflicts with contestant's work & study obligations
